No problem Jeff, I think you were just testing me today.

Bob,

I mistakenly sent inaccurate documents and, as a bonus, also sent them to the wrong people.

Fortunately, I haven't yet hurt myself today. Yet.

Anyway, I should have sent these attached completed PRFA documents to you.

Sorry and thanks for your patience.

Jeff

Nope. Not a cut-and-paste issue. It's a cut-and-stupid issue.

Here, finally, are the two accurate documents. Sorry y'all.

Gregory, the PRFA amount is \$11,700, please.

Hello and happy Tuesday!

Jeff - thank you so much for working on this. I think there might be some cut-and-paste issues, specifically the signed one references the Santiam River spill. Did you split into two PRFAs because of the funding ceiling issue?

Please let me know how I can help!

Allison
